Effective Date: 10/18/2011

MOUNTAIN PASS MINE ENVIRONMENTAL POLICY

The Mountain Pass Mine is Committed To:

- Operate in a clean, safe, and environmentally responsible manner;
- Continually improve the Environmental Management System;
- Comply with applicable environmental regulations, and, as necessary, exceed regulatory standards to meet the requirements of the Mountain Pass Quality Management System and other systems intended to ensure a safe, reliable, and efficient operation;
- Minimize pollution and waste;
- Continually establish and review environmental objectives and targets.
- Operate in accordance with the environmental principles advocated by the external organizations that Molycorp is a member of.

A handwritten signature in blue ink, appearing to read "Rocky Smith", is written over a horizontal line.

Rocky Smith
Managing Director

Mountain Pass EMS (Environmental Management System)
